### **Purpose**

To establish the policy of the First 5 Commission of San Diego (“Commission”) for the allocation of funds for programs and services that fulfill it’s the Commission’s mandate.

### **Background**

The Commission funds programs and services for children ages zero to five, and their families to ensure that every child in San Diego County will enter school ready to learn. The Commission’s mandate is set forth in Health and Safety Code sections 130100 *et seq.*, San Diego County Administrative Code, Article IIIP, sections 84.100 *et seq.*, and the Commission’s Strategic Plan.

The Commission’s funding decisions are primarily guided by its Strategic Plan. The Strategic Plan is a five-year plan that the Commission reviews annually. The Strategic Plan sets forth the Commission’s goals for its strategic funding investments. A key component of the Strategic Plan is the Commission’s Evaluation Framework, which provides the indicators that will be measured and priority strategies that will demonstrate achievement of the Desired Results in the Commission’s Strategic Plan. The Commission also develops a Financial Spending Plan that identifies the annual funding commitments for each Commission initiative and/or project.

### **Policy**

All programs and services considered for funding by the First 5 Commission of San Diego must comply with this Policy. Programs receiving Commission funding shall not use Commission funds to supplant other funding sources per Commission Policy F5C-009.

### **Procedures**

#### **A. Solicitations**

- 1) The Commission will issue solicitations to identify organizations capable of providing the described programs or services. Solicitations will be issued in areas identified in the Strategic Plan and supported by the Financial Spending Plan.
