Presentation on the Targeted Home Visiting Initiative
Supporting Document

Overview:

The Commission will receive a presentation on the implementation and status of the Targeted Home Visiting Initiative, First Five First Steps.

The Targeted Home Visiting Initiative is a countywide program (North Inland/North Coastal, North Central/Central, East, and South regions) named "First 5 First Steps". The Countywide Coordinator provides oversight, technical support, and training to the 4 regional leads that provide home visitation services for expectant parents and parents of newborns to specific high-risk target population families of: teens, military, immigrants, refugees, and low-income households using the *Healthy Families America* (HFA) model and the *Parents as Teachers* (PAT) curriculum.
