**Healthy Development Services Presentation**

Supporting Document

**Overview:**

The Commission will receive a presentation on the Healthy Development Services program.

Healthy Development Services (HDS) is a countywide program providing an array of services for early identification and treatment of children with mild to moderate developmental delays. Services include assessment and treatment for developmental (including speech and language) and behavioral concerns, parent education, and care coordination to all families receiving HDS services. Since 2006, First 5 San Diego has been leading the way by serving children with mild to moderate concerns. Key outcomes for children and major system achievements will be presented.
