Purpose

To establish a Commission policy to provide letters of support and memoranda of agreement to local programs that are providing services to children zero to five, that are consistent with the First 5 Commission of San Diego strategic plan and further the mission, vision, values, and operating principles of the Commission.

Background

The First 5 Commission of San Diego (Commission) is at times asked to provide letters of support and memoranda of agreement for some of its funded programs that are applying for other funding opportunities, such as federal grants.

Three types of requests can be made of the Commission:

- 1) Letter of Support: Requires the Executive Director, on behalf of the Commission, to make a finding that the proposed program/project is consistent with the Commission's strategic plan.
- 2) Letter of Reference: Requires the Executive Director, on behalf of the Commission, to confirm a partnership and/or contractual relationship exists with the local organization.
- 3) Memoranda of Agreement (MOA): Requires the Commission's partnership with a local organization on a program or project, which may involve a commitment of resources.

Policy

It is the policy of the Commission to request that programs adhere to the following timeline:

- 1) Provide 30 days' notice for a request of a Letter of Support or a Letter of Reference; and
- 2) Provide 60 days' notice for a request of a Memoranda of Agreement.

Further, it is the policy of the First 5 Commission of San Diego that Letters of Support and Letters of Reference do not establish a commitment of Commission funds. The Executive Director of the Commission has authority to execute and sign Letters of Support or Letters of Reference, without Commission approval, but will notify the Commission by copy of the letter. MOA's involving policy decisions and/or the commitment of future funding will be presented to the Commission. The Commission will review, and if appropriate, make a finding that the program/project is consistent with the strategic plan, and vote to approve.
